The primary mission of the Great South Bay Audubon Society is to advocate for the conservation of habitats for native birds and other native wildlife on Long Island. As a member of the Great South Bay Audubon Society you will receive our award-winning, digital newsletter "The Sandpiper!"

Membership also includes access to the beautiful Brookside County Park, with 8 acres of trails for guided nature walks, ponds and waterways, wildlife including deer, foxes, and wild turkey, and the unique opportunity to connect with a community of like-minded individuals with a wealth of knowledge on Long Island's native species. Your membership dues will also go directly to our local conservation and educational endeavors and support our work at Brookside County Park.
